To our valued Alumni members, future and present;

We are working to make sure we continue to make our training classes the safest in the industry, and as such please note the following COVID-19 guidelines:

- Please make sure you bring your waiver completely filled out or bring your own writing utensil should you need to get a waiver from us at sign-in.
- Whenever possible, please stay at least 6 feet from anyone else outside your home-group (folks you live with). We will make plenty of room for you on the firing line to accommodate this.
- We recommend wearing a comfortable cloth / fabric mask that covers the nose and mouth* (*Not required to be followed if such actions would possibly lead to an environmental / firearms safety issue in any way (ex: fogged safety glasses, inability to properly wear hearing protection, inability to safely utilize firearm, inability to concisely relay safety information to instructors, etc.) or if not medically possible. Decision to waive the above recommendation will be made by the individual student).
- We recommend having a small bottle of hand-sanitizer with you (or antibacterial wipes). MDFI will have some hand-sanitizer available should you wish to use any throughout the class.
- If you buy any MDFI product (tshirt, hat, patch, etc.), we will not be able to accept it for a refund.
- **IF YOU ARE NOT FEELING WELL OR SOMEONE IN YOUR HOME IS NOT FEELING WELL:** Please let us know and we will work with you to have your class spot moved to sometime in the future. Just reach out to us via email at info@trainMDFI.com.
